whether or not something occurred without leading them. Afterward I always spoke to the parents again alone without the child present, shared with them what the child said to me, and then had the child come back into the room and in summary tell the parents what the child told me so the child didn't leave there thinking maybe the parents didn't know what happened. And there's reasons why I did all of those things.

Make reports, do any follow-up that, you know, can assist in establishing whether or not something occurred, attempt to interview the accused if possible. Sometimes we made arrests. And then forward the reports to the prosecutor.

- Let me ask you, when the investigation concerned a young child, say under the age of ten, and the allegations included allegations of either vaginal or anal penetration, would you refer the parent and child to a physician for a sexual assault examination?
- A Yes.
- Q Did you have particular physicians or places that you would refer parents and children to in Vancouver?
- A Initially when I began doing this, no. There were times when we might have made referrals to -- you know, people have their own physicians, to Vancouver Clinic. There are some people -- There are a number of doctors now in

1	police officers with any of the Sacramento law
2	enforcement agencies?
3 A	I remember I did. I don't remember who it was. I think
	and I'm guessing. I think it was before I went down
5	I spoke with one of the detectives or an officer down
5	there.
Q	Do you recall whether or not you received any reports
2	from Sacramento before you went down to interview
	witnesses in Sacramento?
A	I don't recall.
Q	At some point in time during the course of your
	investigation, did you suggest or refer DeAnne Spencer
	to any doctors to have Kathryn Spencer examined?
A	To be honest with you, I don't recall specifically
	discussing that with her. However, I would be real
	surprised if I didn't. That's all I can tell you. I
	don't remember.
Q	And based on what you've already told us about your
	protocol, it would be your usual practice to refer the
	parent to have the child examined?
A	Exactly.
Q	Do you recall the general nature of the allegations that
1,70	were coming from Kathryn Spencer?
A	No.
Q	Do you recall, let me ask and see if this refreshes your

2	Ĺ	vaginal-penile penetration?
3	A	To be honest with you, I don't remember what she told me
4		happened.
5	Q	Okay.
6	A	There have been thousands of cases since and I really
7		don't remember specifically.
8		(Deposition Exhibit No. 1 was
9		marked for identification.)
10	Q	(By Mr. Camiel:) Ms. Krause, I'm handing you what's
11		been marked as Exhibit 1 to your deposition and it's
12		four pages. The top page is titled Utility Report. Why
13		don't you take a look at that. I'm going to ask whether
14		or not that is what you received from Mr. Samson along
15		with his letter.
16	A	It is.
17	Q	Do you recall, prior to your receiving these documents
18		from Mr. Samson, do you recall having seen this report
L9		before and the records that are attached?
20	A	I'm assuming I did. That's my report. I had no
21		independent recollection of it if I know that I did
22	ļ	because that's my report.
23	Q	All right. When you say that's your report, you're
24		referring to the top page?
25	A	The little face sheet. And it's indicating that these

1 things are attached. 2 Q All right. And that face sheet is titled a Utility 3 Report? 4 A That's correct. 0 And it indicates a date of 10-12-84? 5 A It does. 6 7 Q The narrative portion of the report indicates that 8 copies of Therapeutic/Diagnostic Procedures Report 9 forwarded to this department by University of California 10 Davis Medical Center in Sacramento, California, 11 reference an examination conducted on Kathryn Spencer 12 regarding sexual abuse allegations involving Kathryn and 13 her natural father Clyde Ray Spencer. According to your 14 report, it appears that these records were sent directly 15 from the medical facility to your office. 16 A It appears that way. 17 0 In order to get these reports, would you have had to 18 have Kathryn Spencer's mother execute a medical records 19 release? 20 A Most -- It's my experience that most physicians would 21 ask that there be a medical release. I don't 22 necessarily always ask. Oftentimes the physician has 23 someone sign a release at the time the exam is done. 24 I don't remember whether I sent her something and asked 25 or -- I sent something and asked for the report or if

magnifying during an exam of a child, anal or vaginally. It's my understanding that if there are lesions or there's been tearing and healing, it may be detected with a colposcope and it wouldn't by the naked eye. Have you been involved in cases before where the Q prosecution has presented photographs that were taken with colposcopic exam? Well, I'm usually excluded from the courtroom when A that's going on, but I'm sure -- I know there's been cases I've been involved in where that was utilized by the physicians. Have you reviewed with physicians as a part of some of Q your investigations photographs depicting physical evidence of sex abuse through colposcopic exam? I don't know that I've ever sat down with a physician A and done that. But I've seen photographs in training. Now, the report Exhibit No. 1 that you have in front of Q you, do you know whether or not this report was ever forwarded to the Clark County prosecutor's office? A Like I explained, I'm told it wasn't in their file. If they have all the other reports, I can't imagine them not having this one. Also, based on Jim Peters and knowing him and knowing how meticulous he is and knowing historically what I would do, there is no doubt in my

mind if they didn't have a copy, he was aware of it when
I got it. We talked.

If CAIC -- If I have a prosecutor on a case, he may not have the whole case file or I may still have some reports I haven't shipped up to him, but there would be no doubt in my -- 99 percent sure that he had this information. I can't imagine him not having the report if he had all the rest of the reports. And I'm told that it was in Vancouver Police internal investigation file that they did. So why would I send it to him and not the prosecutor? That doesn't make sense.

- O Do you know how it was that Vancouver Police Department received your reports, your investigative reports in the Spencer case?
- A Not really. I don't remember -- I know that they were doing an investigation. My mind just went blank. Jim Holtz with Vancouver Police worked on it. I spoke to him. I think he may have done some interviews. It seems like there were other people. I don't remember if they got them from the prosecutor or they got them from me or they got them from records. I don't know.
- Now, you indicated that you spoke I guess recently with
 Kim Farr, deputy prosecuting attorney. And as I
 understand it, Kim Farr indicated that a review had been
 done of the prosecutor's files and they didn't have the

1	A	Yes. I'm sure it was.
2	Q	What was significant about that? Why was that a
3	3	problem?
4	A	Well, I think that's a big problem. We weren't looking
5		at one. There could have been others. The other thing
6		that concerned me personally was that I remember him
7		saying some of the other men had guns on their ankles.
8	Q	You were concerned that these other potential suspects
9		might be police officers?
10	A	Absolutely.
11	Q	Was there an investigation that followed up on that?
1,2	A	There was. And I remember Jim Holtz and I discussing
13		that.
14	Q	Jim Holtz was with the Vancouver Police Department?
15	A	Was the detective who was doing it. Other than that, I
L6		can't really tell you. We were never able to identify,
L7		you know, if there was, who they were.
18	Q	Now, during the period of time of the Spencer
19		investigation, did you become aware that your
0		supervisor, Mike Davidson, began having a romantic
21		relationship with Shirley Spencer?
2		MR. SAMSON: I'll object on the
13		grounds of relevancy. This claim was addressed by the
4		ninth circuit and was rejected by the ninth circuit so I
5		don't think the issue is really relevant anymore to this

1 action. But you can answer if you want. 2 (By Mr. Camiel:) You can answer. I was aware of it, yes. So was everybody else. 3 A 4 Q Was that ongoing while you were conducting your 5 investigation? 6 A My memory of that, that was way on into the 7 investigation that I became aware of that. And I don't -- I don't remember if it -- You know, it's been so 8 9 long. My recollection of that is that when I became 10 aware of that, it was long after I had interviewed 11 Little Matt. And I don't remember if it was before he 12 pled or after, to be honest with you. But at some point 13 I became -- but it was --14 At the point where you learned about it, you've 15 indicated that it was long after you'd interviewed 16 Little Matt. 17 It seems to me. That's what I think it was. That's my A 18 memory. 19 I wanted to identify "Little Matt" as Matt Hansen. Q 20 A Correct. 21 Matt Hansen is the Matt that lived up here in the state Q 22 of Washington? 23 A Right. His mother is Shirley Spencer. When you learned that your supervisor, Michael Davidson, 24 Q 25 was involved with Shirley Spencer, at the point where

1	Q So you assigned cases. What else did you do as a
2	supervisor?
3	A Reviewed the progress of cases.
4	Q How often would you review the progress of cases
5	A It would depend
6	Q in 1984?
7	A It would depend upon the case, the nature of the
8	allegation.
9	Q Well all right. Did you have weekly reviews or did you
.0	have daily reviews?
1	A Again, there was no established policy on reviews because
.2	it would depend upon the type of investigation.
.3	Q And when you would review a case, what would that involve?
.4	A It would entail reviewing the progress that the officers
.5	were having, the individual detective that was assigned,
.6	review their progress on a particular case, review if there
7	were any problems, review what follow-up needed to be done.
8	Q Did you have face-to-face meetings, then, with these
9	detectives?
0	A In order to review their progress, yes.
1	Q So you had verbal communication with them; is that correct?
2	A That's correct.
3	Q Okay. And then you also reviewed their reports?
4	A Yes, ma'am.
5	Q Okay. And then did you sign off on their reports?

24 1 Q Do you know through the investigation -- well, let me ask 2 you this. That's different than what you had initially 3 told me that the call came in and just reported Ray Spencer had alleged by sexually abused his daughter? You would 4 5 agree with that, right? I'm sorry? 6 A 7 You would agree that Katie or Kathryn Spencer's initial report involved allegations against other people, DeAnne 8 Spencer, her brother Matthew, Karen Stone? You're aware 9 that Katie Spencer had claimed all of those people had 10 11 sexually abused her? 12 A Let me ask you what you're asking. I'm not certain -- are you asking me about the original report or about the report 13 that I'm looking at here? 14 Q I'm talking about the report on 8/29/84. We talked about 15 the original report to the patrol officer that you 16 reviewed, okay? Then you tell you assigned the case to 17 Sharon Krause, and she began working on the case, correct? 18 19 That's correct. Okay. And she began preparing reports that you were 20 reviewing? 21 22 Correct. Okay. And you at some point did review this report on 23 8/29/84? 24 A We're talking the initial report from the deputy sheriff? 25

31 having at that time? 1 2 My wife and I had been married for about 24 years. We'd 3 had a slow <u>disintegration</u> of our marriage over probably the prior ten years. We had stayed together principally 4 5 because we had three children. 6 When you say that -- how would you describe the state of 7 your marriage in 1984 around the time when you first met 8 Shirley Spencer? 9 I was living at home and we -- we had -- my wife and I had a social contact. It was not a regular, normal marriage in 10 the sense that you would normally expect it to be. 11 12 And when you say not -- did you have -- were you still 13 having sexual relations with your wife at that point? MR. FREIMUND: I think this is getting pretty 14 far down the road into personal, private information that 15 is not relevant. 16 MS. ZELLNER: I think I have completely -- well, 17 that's not a proper objection in a federal case. You'd 18 have to assert a privilege and instruct him not to answer, 19 and I believe that we have a green light from Judge Settle 20 that we can explore the relationship that he had with 21 22 Shirley Spencer, and part of that I want to explore is the 23 quality of his marriage at the time he met her. MR. FREIMUND: I would disagree with your 24 25 analysis of having a green light, as you put it. I think

45 have not discussed this case with her? 1 As far as I can remember, no. 2 Q Going back to the relationship with Shirley Spencer, would 3 4 you agree that in the beginning of this investigation, 5 there were some problems with Katie Spencer's description 6 of what had happened and who was involved in her alleged 7 sexual abuse? If we're talking about the information that was contained 8 in the report -- what do you mean by problems? I'm not 9 certain that -- what are we talking about, defining 10 problems? 11 Well, Ray Spencer was arrested twice, right? The first 12 arrest was just for a misdemeanor, am I correct? 13 I believe so, correct. 14 And he was just arrested for a misdemeanor because 15 apparently the case wasn't strong enough to charge him with 16 17 a felony? A I can't, nor do I believe that I have knowledge about the 18 particulars of why it was charged or he was arrested in the 19 20 manner that he was, under the charge that he was. 21 Who was in charge of making those decisions? 22 A I would assume that it would have been a consultation with 23 the prosecuting attorney's office, whatever deputy 24 prosecutor was assigned at that time. 25 Up until Ray's first arrest, had you had any communications

46 with Jim Peters about the Ray Spencer case? 1 2 A Again, I can't recall specific -- we had specific conversations with Mr. Peters during the course of the 3 entire investigation. Can I sit here today and define 4 5 specifically what time frames that those conversations took 6 place and in relationship to what portion of the 7 investigation? I cannot. Did you have conversations with Mr. Peters -- we know that 8 9 the entire case started in July of 1984. Did you have 10 conversations with Mr. Peters in that time span from July up until Mr. Spencer's first arrest, just that time period? 11 12 Do you have a recollection of that? I do not have a recollection of that, no. 13 Do you, at a certain point, learn that there's going to be 14 an arrest of Ray Spencer for misdemeanor charges? 15 16 I can only say that I would assume that I would have learned that information without having specific detail. 17 How do you -- how do you define probable cause? 18 That -- anything that would lead a reasonable person to 19 believe that a crime had been committed. 20 21 Q All right. So can you tell me what was the probable cause 22 for the first arrest of Ray Spencer on a misdemeanor 23 charge? 24 A Again, I cannot tell you that because I wasn't involved in 25 that portion or that decision-making process.

51 pursue any charges in Sacramento; is that correct? 1 2 A I'm not aware that -- at least that there was any 3 allegations that any of this occurred in California. 4 Q Well, you're aware that a prosecutor named Rebecca Roe evaluated the evidence for King County, that she was asked 5 6 to evaluate whether the case was legally sufficient? 7 I'm aware that there's a section contained in this file that says she reviewed the case that was referred to her 8 from Clark County. That has nothing --9 Right. 10 11 -- to do with Detective Flood. Plaintiff's Exhibit 21, if you could look at that, that's a 12 report that's signed off on by Rebecca Roe? 13 14 I have that copy here, yes, ma'am. Yes. Have you reviewed this report in your preparation for 15 16 the deposition today? I reviewed it to the best of my ability. I will have to 17 say that there's some of the -- some of the penmanship that 18 I was not able to discern exactly what she was writing. 19 Well, she does, at the top on her report, mark the box that 20 21 says case is being returned because it is legally 22 insufficient. Do you see that notation? I do, yes, ma'am. 23 24 And she points out some of the problems -- and this is November 27 of 1984 -- some of the problems that she saw 25

52 with the sufficiency of the case. One of the first 1 problems she sees is that the child, Kathryn Spencer, is 2 extremely reluctant to talk about the facts and that Sharon 3 Krause had to spend several hours one-on-one with the 4 victim who indicated that she did not want to talk about 5 6 it. 7 Were you aware of this information before Ray was charged in February of the felonies? Were you aware of the 8 Roe report? 9 MR. BOGDANOVICH: I'm going to object to the 10 form of the question. I think it left off part of the 11 12 report that was being quoted. MR. FREIMUND: You can go ahead and answer. 13 I can read the entire entry in. MS. ZELLNER: 14 (By Ms. Zellner) First of all, were you aware of this 15 16 report before the felony charges were brought against Ray Spencer in February of 1985? 17 To my knowledge, I was not. 18 When did you become aware of this report? 19 I believe it would have been during the course of the 20 appeal process. 21 Q Is it your testimony that this report was never in the 22 23 Clark County Sheriff's file? That would not be my testimony, no, ma'am. 24 So what is your testimony about this report? I mean, 25

A Q A	obviously, it was authored on November 27, 1984. Were you unaware of it? You're asking me at the time that Mr. Spencer was charged with the felonies, was I aware this report existed? Right. My response is I have no recollection of that, no, ma'am. When you say you've repeatedly said you have no

20 supervisor, I wasn't necessarily informed of eve	ery aspect
21 of that investigation.	
22 Q Were you informed at any time before February 28	8, 1985,
23 that Kathryn Spencer had been inconsistent in so	ome of the
24 details of her report of sexual abuse by her fat	
25 A Again, I'm going to answer	ther

63 1 -- at any time? -- I have no specific recollection of that information. 2 And if you had gotten that information, would that have 3 been important in your assessment of the veracity of the 4 claim? Would that have been important to know as a 5 supervising detective? 6 7 A I can only speculate that, first of all, certainly that 8 kind of information would be important. Again, the only reason that it would be important is how we approached the 9 investigation from that point on. 1.0 Q Did you make decisions in the Ray Spencer case about how 11 the investigation was going to be conducted, or did you 12 delegate all of that to Sharon Krause? 13 A I don't know that in any case that I specifically outlined 14 the way any investigation assigned to any investigator 15 16 would be conducted. 17 Okay. I'm asking about this case, okay? Okay. 18 A This specific case. 19 Did you direct Sharon Krause at any point to perform 20 any task in regard to this investigation? Did you say "Go 21 out and reinterview the child, go out and tape record it"? 22 Did you ever make any suggestion? 23 A I'm certain that probably during the course of that 24 investigation that there were some suggestions that I 25

64 1 I'm aware that particularly when there was a discussion of her going to California to interview both of 2 the children. I don't recall specifically what directions, 3 or at this point due to the passage of time there's no 4 reports to reflect what I would have suggested, and I have 5 no independent recollection of that. 6 7 But you do agree that the reports reflect your involvement 8 at various stages of the investigation, don't you? I recall specifically being involved in certain portions of 9 that investigation, yes, ma'am. 10 Prior to the incident at the Salmon Motel where Matt Hansen 11 was allegedly molested, the case only had evidence of a 12 13 misdemeanor at that point, right, and then there was the Matt Hansen alleged molestation, and then suddenly the case 14 15 became a felony case? A I believe the allegations rose to a claim of a felony case 16 after Mr. -- after young Matt Hansen, Shirley's son, made a 17 18 disclosure, correct. Q Now, Matt Hansen was taken to the Salmon Motel by Shirley 19 Spencer, right? 20 21 I believe that she stated that, correct. Q And despite the fact that her husband was out on personal 22 recognizance for molesting their daughter, Shirley Spencer 23 took her son to the Salmon Motel to spend the night with 24 25 Ray, right?

	6
	correct?
A	I think there was some additional interviews that were
	conducted with his son and his daughter in California, and
	collectively that was the basis for charging him with those
	crimes, correct.
Q	Okay. But the Matt Hansen incident was a big part of the
	charging, wasn't it?
A	I don't know that I can answer that. That would be the
	prosecutor's position to answer.
Q	You went to the Salmon Motel to attempt to corroborate Matt
	Hansen's story, didn't you?
A	I was requested to do that, that's correct.
Q	And you reported back that there was a television that was
	mounted high on the wall. Do you remember that?
A	I do recall that, yes, ma'am.
Q	And what was the importance of your observation about the
	television being mounted high on the wall?
A	That was part of what Shirley's son was stating that was
	part of the room description during the time that he spent
	with Ray at the Salmon Creek Motel.
Q	Well, there wasn't any question that he spent the night
	with Ray Spencer, right? There was no question he was in
	the room, correct?
A	There's none I'm not clear as to why you're asking that,
	because that's the purpose of corroboration.

Q	All you corroborated, though, with the television, was that
	Matt Spencer was in the room, right? That doesn't
	corroborate sexual abuse.
A	Nobody said that. I simply was corroborating
Q	Actually, it does say that. It does say that in the
	report, that that was the piece of corroborating evidence.
	I'm just asking you I'm not aware that Ray Spencer ever
	denied that Matt Hansen was dropped off at the motel. Are
	you aware that Ray Spencer ever denied that?
A	Without reviewing the reports of Ray Spencer's statements,
	I can't answer that question. I don't know whether or not
	he did. I was requested to go to the Salmon Creek Motel to
	corroborate the interior of the motel room provided by
	young Matt Hansen, Shirley Spencer's son. That's what I
	did.
Q	There was no physical evidence in the room of any sexual
110	abuse, correct?
Α	At the time that I was there I don't know that I was
25.5	looking for that type of I was looking for corroborative
	information.
Q	So you were not there to look for corroborative
	information?
A	I said that was my statement. I was there to look for
	corroborative information.

	72
A	That's correct, yes.
Q	You became aware during the investigation that there was a
	videotaped interview made of Kathryn Spencer at the
	Sheriff's Department on December 21, 1984, correct?
Α	Now, are you making a statement
Q	Yeah
A	or is that a question?
Q	It's a question. You became aware that a videotaped
	interview was done of Kathryn Spencer on December 11, 1984,
	during the course of the investigation?
A	I was aware that there was a videotaped interview done. I
	don't recall the dates, and I don't recall when I was made
	aware of that,
Q	Were you made aware of the videotaped interview prior to
	the charges being brought against Ray Spencer on
	February 28, 1985?
A	I can't recall that, ma'am.
Q	When you say you can't recall it, do you mean that you
-	can't give me a specific date?
A	I'm stating that I can't recall when I was made aware of
	that videotape. Due to the passage of time this has
	been some 26, 27 years ago I can't recall that specific
	information, no, ma'am.
Q	Well, we've all been provided we have thousands of pages
	of documents, and you've been provided with several hundred

pages of documents about this case, correct? 1 2 Correct. 3 And you are aware as you sit here today that there was a videotaped interview done of Kathryn Spencer, correct? 4 5 I am today, yes, ma'am. And do you have any idea in the last 25 years when you 6 7 became aware of that videotaped interview? I can say that I was probably aware of it at some time 8 during the 25 years. I can't be specific, and I don't 9 recall -- again, I don't recall that. 10 Q Do you recall whether you became aware of that videotaped 11 interview prior to Ray Spencer being sentenced? 12 13 No, I cannot. 14 Have you reviewed the videotaped interview? A I was provided a copy of that videotaped interview in 2009 15 or 2010 by then-Chief Criminal Deputy Prosecutor Dennis 16 17 Hunter as part and party --Was that the first time --18 19 I'm sorry. 20 I'm sorry. 21 -- as part and party --22 Was that the first --23 -- to the appeal. Was that the first time that you became aware of a 24 videotaped interview having been conducted of Kathryn 25

		8
1	A	I didn't say that. I said if there was a report that
2		reflected that interview.
3	Ö	Okay. Was there should there have been a report made of
4		the interview?
5	A	I would normally say, and I can't say specifically
6		pertaining to this, but the normal course would be that you
7	ŀ	would author a report pertaining to an interview of a
8		victim or witness or suspect.
9	Q	And if I told you that no such report has been produced,
10		would you be surprised that a report wasn't made?
11	А	I would only we're basing that upon your statement, not
1.2		to my personal knowledge. I don't know that there was no
13		report made.
14	Ö	You've never seen it, have you, a report made of the
15		videotaped interview?
16	V	Again, I can't tell you that because I don't recall.
17		Without reviewing the entire file, I wouldn't know.
18	Q	In the documents that we sent you, did you see a report of
19	i	the videotaped interview in those documents?
20	V	Again, if I have permission to go back and reflect through
21		the reports, I will look to see if I have any record of
22	ĺ	that.
23		MS. ZELLNER: Okay, why don't we take a
24		ten-minute break and let him look through those documents
25		and tell me if there's a report that we've all missed.

	9
	asking you it sounds like, from what you've said before,
	you tried to reviewed the reports in the file. If this
	report had been in the file, you would have reviewed; is
	that fair?
A	If the report was in the file, I would have reviewed it if
	I reviewed the entire case, correct.
Q	Okay. Do you recall who requested you to go to the Salmon
	Creek Motel to try to corroborate Matt Hansen's story?
A	My recollection was that it was the Deputy Prosecutor Jim
	Peters.
Q	What's your when do you recall Jim Peters first getting
	involved in the Ray Spencer case? It must have been
	between the misdemeanor charges and felony charges, or
	prior to that?
A	My recollection was that once the report was forwarded to
	the prosecuting attorney's office, Mr. Peters was involved
	from that point on. That's my recollection.
Q	And you're talking about the report of the Matt Hansen
	allegations?
A	I'm talking about the initial report with regards to
	Kathryn Spencer.
Q	Okay. So the very earliest report that the patrol officer
	took; is that right?
A	I don't know that I can state that he was involved at that
	point. I can say that as a result of our follow-up

4		
1		MR. FREIMUND: You just specifically asked did
2		your attorneys provide you. That's where I'm having a
3		problem.
4	Ω	(By Ms. Zellner) Okay, Mr. Davidson, have you on your own
5		reviewed the Sheriff's file on the Ray Spencer
6		investigation?
7	Α	None other than what was provided to me by your office.
8	Q	Okay. That was really my question.
9		In the interview that was done of Matt Hansen, were
10		you asking questions or was Sharon Krause asking questions?
11	A	I believe Detective Krause was. I was simply present.
12	Q	And okay. In her questioning of Matt Hansen, I believe
13		he was four or five years old at the time, were any
1.4		questions asked about his competency?
15	A	Asked of whom?
16	Ö	Asked of Matt Hansen.
17	A	Again, without reviewing the interview that Detective
18		Krause conducted, I can't answer that question.
19	Q	Did you at any point in time suggest to Shirley Spencer
20		that Matt Hansen have a medical examination?
21	A	I did not, no, ma'am.
22	Q	At any time did you become aware that Matt Hansen had, in
23		fact, had a medical examination?
24	Α	I did become aware of that.
25	Q	Was it a routine practice to refer alleged victims to have

A	It would depend upon the nature of the allegation.
Q	If there were allegations of vaginal rape, would that be
	the kind of allegation that you would expect the alleged
	victim would be referred for a medical exam?
A	Yes, ma'am.
Q	If Shirley Spencer had recalled in her testimony that you
	did suggest to her that Matt had a have a medical exam
	on these allegations, would you disagree with that
	statement that she's made?
	MR. FREIMUND: I'm going to object as an
	improper hypothetical.
	But go ahead and answer.
Α	I would first have to review the document in which she
	indicated that I had suggested that.
Q	(By Ms. Zellner) Well, do you have an independent
	recollection of telling her that Matt Hansen should have
	medical examination?
A	I do not have an independent recollection of that, no,
	ma: am:
Q	With a male child, when there are allegations of anal
	penetration, would that be the kind of allegation that yo
	would expect to result in a referral to a doctor?

1	Q	You're aware of testifying previously when you were asked
2	15	that question, and with a male child where there are
3		allegations of anal penetration, would that be the kind of
4		allegation that you would expect to result in a referral to
5		a doctor? And you answered this is the habeas
6		deposition testimony "I would agree with that, yes."
7	٨	Correct.
8	Ŏ	So are you not agreeing with that now?
9	A	No, what I'm saying is that there are some parameters in
1.0		which we're talking time frames as opposed to when this
11		occurred and so on. There's an explanation that I would
12		offer additionally besides just responding "yes" or "no."
13	Q	Well, you don't have you have no training as a medical
14		doctor, right?
15	A	No, ma'am.
16	Q	Okay. And you're not holding yourself out as a child abuse
17		expert?
18	A	No, ma'am.
19	Q	Okay. Did you become aware at a certain point in time that
20		there had, in fact, been an exam of Mr. Hansen, Matt
21		Hansen?
22	A	Shirley's son? Is that who we're talking about?
23	Q	Yes, Shirley's son. Yes.
24	Λ	Okay. At some point in time during this entire process I
25		was aware that there was a medical exam,

- 1		107
1	Q	Would you expect a later report to encompass the reports
2		from the prior index?
3	A	I'm not certain that I understand what you're asking.
4	Q.	Would you expect a subsequent report, a report later in
5		time, to encompass the documents from the first report?
6		MR. FREIMUND: You're saying "report." I think
7	1000	you mean "index."
8		MS. ZELLNER: Index, right.
9	÷	MR. FREIMUND: Yeah. Okay.
10	A	Again, there is a report that's indicated in the first
11		index section that there was a medical examination report
12		on Kathryn Spencer. I see no reason why it would be
13		included in the second index since it was already referred
14		to in the first index.
15	Q	(By Ms. Zellner) And is it your testimony since it was
16		the report was included in the index that you would have
17		reviewed the medical report on Kathryn Spencer?
18	A	I can only I can only speculate at this point that if it
19		was attached to that report, I may have looked at it. I
20		doubt if I reviewed it because I'm not a medical doctor as
21		you aptly pointed out, so I
22	Q	The custom and practice was for the Sheriff's Department to
23		supply the prosecutor's office with all of the reports in
24		the file; is that correct?
25	Á	Any report that was going to be referred to the
1000		

	1	10
1		prosecutor's office was indicated as such, and the Records
. 2		Division at the Sheriff's office would ultimately refer
3		those to the prosecutor's office, correct.
4	Q	And, in your experience, would a medical report of the
5		complaining witness, one of the complaining witnessing, be
6		sent to the prosecutor's office?
7	A	Just making an assumption, I would assume that would be the
8	i e	case, yes.
9	Q	Let's talk about when Ray Spencer was incarcerated after
10		the February 28, 1985 arrest, that time period. Do you
11		recall whether or not, while Spencer was in jail, you ever
12		visited him in the jail?
1.3	Λ	As I previously stated, I think, in prior testimony, in
14		1995 specifically, or '96, I have no recollection of
15		visiting him at all in the jail.
16	Q	Does that mean you may have visited him and you don't
17		remember it?
18	Λ	I don't believe that I did, but I certainly have no
19	79	recollection of those events.
20	Q	Do you recall ever receiving any contact from any jail
21		staff concerning your visits to see Spencer?
22	Λ	If I did not go to the jail, if I have no recollection of
23		going to the jail to see him, I don't recall having any
24		contacts with jailers in regards to those visits that
25		didn't exist.

109 Q Did anyone on the staff at the jail ever contact you or 1 2 your department about your visits to Ray Spencer? 3 they occurred or not, was there ever any contact made 4 concerning the issue of you visiting Ray Spencer? 5 Contact with me personally? 6 You or your department. 7 I can't answer for my department. I can only answer for me, and no. 8 9 So you have no personal knowledge that anyone from the jail 10 ever contacted anyone in your department about your alleged visits to Ray Spencer? 11 That's correct. I don't have any personal knowledge. 12 13 Okay. If Ray Spencer has testified that you came to the jail, you removed him from the medical area and took him 1.4 15 down and interrogated him, would he be incorrect about that memory? 16 First of all, I could not have removed him from the medical 17 That simply didn't happen. The process and the 18 arca. 19 protocol of the jail would not --20 Q I'm just asking you -- that's not my question. I'm not 21 asking you to explain what you think would have happened at 22 the jail. It's a simple question. I asked you if Ray 23 Spencer is contending that you were interrogating him at 24 the jail, regardless of where you interrogated him, that he 25 is incorrect, that is untrue? That's a "yes" or "no."

		110
1.	A	At this point I did not interview him in the jail.
2	Ō	Okay. Did you ever go to the jail with Detective Krause
3		for her to go in and see Spencer?
4	Ą	Not to my recollection, no, ma'am.
5	Ŏ	Have you did you at any time prior to Mr. Spencer's
6		guilty plea make a statement to him "Your wife used to love
6 7		you"?
8		I have read that in the file. I do not believe that I ever
9	2	made that statement, no, ma'am.
10	Q	Well, was that true, that his wife used to love him?
11	A	From the information that was provided in these reports
12		that you provided me, there's certainly an indication that
13		she did.
14	Ø	That she did love him?
15	A	Correct.
16	Ŋ.	So, at that point in time, you made no such statement to
1.7		Ray Spencer, correct?
18	A	That's my recollection.
19	Q	Did you ever send Shirley Spencer to attempt to get a Power
20		of Attorney from Ray Spencer?
21	A	Can you explain that question a little bit further? Did I
22		ever send Shirley Spencer? What are you saying?
23	Q	Did you ever request did you ever request that Shirley
24		Spencer visit Ray Spencer in the jail and sign a Power of
25		Attorney? Did you ever make that request?

111 1 A No. 2 Q Did you ever send Sharon Krause to the jail to visit Ray 3 Spencer, for any reason? 4 I could not specifically recall that happening, no, ma'am. 5 Do you recall -- you said you recalled no complaints being 6 made by the jail staff of your visiting Ray Spencer; is 7 that correct? 8 A I've read in the file where there was a complaint or an 9 allegation made by a correction officer that deals with an 10 officer, not naming me specifically. That was in the file 11. that you provided me. 12 Q Are you aware of any witness statements that have been 13 obtained where the witnesses have said you were, in fact, 14 at the jail visiting Ray Spencer? 15 A I read a statement by or an affidavit by a Mr. Purse, I believe, in which he indicated that was the case, correct. 16 Okay. And is that affidavit untrue? 17 18 Yes, ma'am. 19 You're positive you never visited the jail --20 I have no specific recollection --A 21 -- to see Ray Spencer? 22 I visited the jail on a number of occasions. 23 No. To see Ray Spencer? 24 I have no --25 You're telling us --

9-	12	
1	Α	I have no recollection of ever visiting Ray Spencer in the
2	100	jail. I previously testified to that in 1995.
3	Q	
4		jail, correct? Not that you don't recall, but that you
5		never visited him at the jail?
6 7	A	Correct.
7	Ω	Do you stand by that testimony?
8	A	I do.
9	Q	When is the last time you spoke to Shirley Spencer?
10	Α	For any specific reason?
11	Q	Yes.
12	Α	I recall a phone call conversation somewhere around the
13		time of the depositions for the federal review in 1995 or
1.4		'96. Since that time, I can't recall whether I have seen
15		her at a function on a social basis or not.
16	Q	You can't recall that? You may have seen her at a social
17		function?
18	A	She belonged to a saddle club that I belonged to, and what
19		I'm saying is that there was there were times when I
20		have observed her. I may have said hello or something of
21		that nature. We didn't have any long, lengthy
22		conversations.
23	Ω	Following your deposition in the habeas matter, did you
24		have any conversation with her?
25	Α	I believe that there's an indication that we had a phone

		, 129
1		evidence in this case mysteriously appears, so I want to
2		make sure that I'm provided with that in time to redepose
3		him.
4	Q	(By Ms. Zellner) I want to ask you if all of the prior
5		testimony you've given under oath is true.
6	A	To the best of my knowledge and ability to recall.
7	Q	Would you agree that the investigation of Ray Spencer was
8		conducted exclusively under your supervision?
9	Α	No.
10	Ŏ	Okay. If not, tell me why you disagree with that
1.1		statement.
12	A	Well, first of all, I believe the prosecutor would have
13		been involved and
14	Q	I'm talking about the investigation.
1.5	Α	That would have been part of
16	Ò	Yeah.
17	A	That would have been part of the prosecutor's review. He
18		may have had
19	Ω	So you're talking about Jim Peters?
20	A	I'm talking about any any prosecutor that would have
21		been involved with the Spencer investigation.
22	Q	Well, do you know of any prosecutor other than Jim Peters
23		that was involved with the Spencer investigation?
24	A	I could name one specifically, yes.
25	Q	Who else besides Jim Peters?

	130
A	Art Curtis.
Q	So it's your testimony
	MS. FETTERLY: I'm just going to pose an
	objection to the form of this line of questioning, but go
	ahead and answer.
	THE WITNESS: Okay.
A	I'm sorry. I didn't give you a chance to
Q	(By Ms. Zellner) So can you explain to me the involvement
	of Art Curtis in the investigation.
	MS. FETTERLY: Object to the form of the
	question.
	You can answer if you can.
A	Ultimately I think all decisions for charging rested with
	the prosecuting attorney of Clark County. Therefore, Art
	Curtis being the prosecutor at that time, I assume he would
	have made any of those decisions.
Q	(By Ms. Zellner) But my question was: Did you have
	exclusive control over supervising the Ray Spencer
	investigation?
A	And, again, I'm going to respond that no, that's not a
	correct statement.
Q	And is it your testimony that prosecutor Jim Peters and Art
	Curtis were involved in the Ray Spencer investigation?
	MS. FETTERLY: Object to the form of the
